EDUCATION

- 2017 - 2021
VIRTUAL UNIVERSITY
- BS in Computer Science

- 2014 - 2016
PUNJAB GROUP OF COLLEGE
- I.C.S (Intermediate in Computer Science)

SKILLS

- HTML, HTML5
- CSS, CSS3
- JavaScript, JQuery
- Alpine Js
- Bootstrap, Tailwind CSS
- React JS, React Bootstrap
- Material UI
- Next JS
- Laravel, RESTful APIs
- Git/GitHub
- Speed optimisation
- Responsive design, cross browser compatibility

PROFILE

I am a Front-End Developer with expertise in HTML, CSS, JavaScript, jQuery, Bootstrap, SASS, Tailwind CSS, React.js, and responsive frameworks. Passionate about creating responsive, user-friendly web designs, I strongly advocate a mobile-first approach. Experienced in all stages of the front-end development lifecycle, I strive to deliver dynamic, high-quality web projects. My goal is to continuously grow as a developer and contribute impactful solutions to the technology industry.

WORK EXPERIENCE

Prismecs

Frontend Developer

JUNE 2024 - PRESENT

Responsibilities:

- Develop responsive, user-centric web interfaces using HTML5, CSS3, JavaScript, Bootstrap, and Tailwind CSS.
- Ensure cross-browser compatibility and optimise website performance for speed, accessibility, and scalability.
- Collaborate with UX/UI designers and backend developers to deliver seamless, high-quality user experiences.
- Integrate frontend components with Laravel-based applications, ensuring smooth functionality.
- Support project success through team collaboration, agile practices, and adherence to coding.

Key Skills:

- Frontend Technologies: HTML5, CSS3, JavaScript, jQuery
- Frameworks & Libraries: Bootstrap, Tailwind CSS, React.js
- Backend Integration: Laravel, RESTful APIs
- Version Control: Git/GitHub
- UI/UX Practices: Responsive design, cross-browser compatibility, accessibility standards
- Performance: Speed optimisation, clean code practices

WORK EXPERIENCE

Codility Solutions

2022 - FEB 2024

Frontend Developer

Responsibilities:

- Design and implement intuitive, visually appealing interfaces using HTML5, CSS3, and modern frontend frameworks.
- Leverage expertise in Bootstrap, Tailwind CSS, SASS, and Material UI to create clean, responsive layouts.
- Develop scalable applications with Laravel, React.js, ROR, Vue.js, and Next.js, ensuring seamless backend integration.
- Deliver mobile-first, adaptive designs optimised for different devices and screen resolutions.
- Conduct cross-browser testing and troubleshooting to maintain consistent user experiences across platforms.
- Optimise applications for performance, accessibility, and SEO best practices.
- Partner with UX designers to translate wireframes and prototypes into functional, engaging user interfaces.
- Collaborate with multidisciplinary teams—including developers, testers, and project managers—to achieve project milestones.

Key Skills:

- HTML5, CSS3, Tailwind CSS, Bootstrap
- JavaScript (ES6+), jQuery
- Responsive Web Design (Mobile-First Approach)
- Basic React.js understanding
- Cross-Browser Compatibility
- UI/UX Wireframing & Prototyping (Figma/Adobe XD basics if applicable)
- Accessibility Standards (WCAG, ARIA)
- Version Control (Git/GitHub)
- Strong Problem-Solving & Analytical Skills
- Team Collaboration & Communication

AL-KHWARIZMI INSTITUTE OF COMPUTER SCIENCE (KICS)

2021-2022

Web Instructor

- Conduct comprehensive training in frontend and backend technologies, including HTML, CSS, Bootstrap, JavaScript, PHP, and MySQL.
- Deliver specialized instruction in WordPress development and seamless integration.
- Develop structured course materials and strategic lesson plans.
- Ensure a student-focused approach, prioritizing clarity and practical skill development.
- Guide learners in building dynamic, feature-rich, and responsive websites.
- Empower students to create professional-grade web solutions with confidence.

PROJECTS

Prismecs

Role: Frontend Developer | <https://prismecs.com/>

- Led the end-to-end frontend development of Prismecs' corporate website, ensuring a responsive, modern, and user-friendly interface.
- Built reusable UI components and implemented mobile-first designs using HTML5, CSS3, Tailwind CSS, Bootstrap, and JavaScript/jQuery.
- Collaborated with designers and backend developers to integrate APIs and deliver seamless navigation and functionality.
- Optimised website performance for fast load times, cross-browser compatibility, and accessibility standards.
- Applied SEO best practices to improve site visibility and search rankings.

Key Skills: HTML5, CSS3, Tailwind CSS, Bootstrap, JavaScript, jQuery, Responsive Design, SEO Optimisation, Cross-Browser Compatibility

eINDUSTRIFY - Global Industrial Equipment Marketplace

Role: Frontend Developer | <https://eindustrify.com/>

- Led full-frontend development of eIndustrify's B2B industrial supplies marketplace, delivering responsive, clean, and user-friendly UI.
- Built product catalog, category filtering, "shop by brands/industries," quick order forms, and other dynamic elements using modern frontend technologies.
- Ensured cross-device & cross-browser performance; optimised load times and improved UX for desktop and mobile.
- Worked closely with designers and backend developers (APIs, data integration) to ensure consistency, accuracy, and smooth interactions (login/register, cart, navigation).
- Implemented styling and layout using CSS frameworks (e.g. responsive grid systems, utility-first frameworks), polished visuals, and ensured UI matches branding and accessibility standards.

Key Skills: HTML5, CSS3, JavaScript, Responsive Design, Cross-Browser Compatibility, UI Component Development, Performance Optimisation, Framework/Library Usage (Bootstrap / Tailwind or similar), Frontend-Backend Collaboration

Jamiah SMS (Codility Solutions)

Role: Frontend Developer | <https://www.jamiah.net/>

Jamiah is a Web and Mobile-based School Management System for all kinds of schools in Pakistan, including extraordinary solutions and dedicated support teams. Jamiah is a Web and Mobile-based School Management System for all kinds of schools in Pakistan, Including extraordinary solutions and dedicated support teams.
